

# Teacher Dutch 2nd Degree, Approx 0,3 fte

*Are you an enthusiastic Dutch teacher? Do you want to teach in an International School? Can you teach Dutch following the International Baccalaureate Middle Years Programme (MYP)? Please, continue reading!*

## The Challenge

You can teach our international students Dutch in an inspiring, motivating and enthusiastic way. It is your second nature to know what the students need and where it is necessary to adjust your working methods. As a teacher, you are responsible for the teaching of Middle School classes. You teach in Dutch following the International Baccalaureate Middle Years Programme. You are a coach for the students and a pleasant and energetic colleague.

## Why do I work on Rivers International School Arnhem?

*- 'At Rivers, I particularly like our student-centred curriculum emphasising the development of skills through inquiry and concept-based teaching and learning – it allows me to fully tap into my own creativity to support my students' natural curiosity. It is a dream come true for me as a professional teacher.'*

*- 'The atmosphere here at River is really special. I have taught in many international schools, but nowhere have I encountered such an atmosphere of mutual respect and understanding as at Rivers. It is quite unique, and I feel blessed to be able to be part of it.'*

## About us (Rivers International School Arnhem / Lorentz Lyceum)

We want our students to become caring and principled world citizens. We aim to reach this goal by stimulating their curiosity and developing their personal academic and social potential. Our balanced and rigorous IB programmes enable our students to gain the skills, the breadth and depth of knowledge, and a positive attitude towards learning that will also prepare them for success in later life.

Rivers International School Arnhem is a small and caring international community, which is able to draw on the resources of a larger partner school. We provide a stimulating learning environment and guide our students in an atmosphere of intercultural understanding and respect.

## We Offer

We offer you an inspiring and challenging working environment, starting as soon as possible (start date in consultation of course). This includes a good package of employment conditions according to cao vo.

- A temporary employment for approx. 0,3 fte for the duration of the replacement.
- You will be teaching Dutch to beginners in MYP.
- The function is based on your knowledge and experience. This means you will be scaled in scale LB, starting at € 3.301,- and ending at € 5.030,- per month (cao vo gross per month based on a fulltime employment).
- Of course, you will receive a travel allowance, a good pension, 8% holiday allowance, time off during school holidays, and a fixed year-end bonus of 8.33%.
- A personal budget of 50 hours with a full-time employment. You can use this as desired. For example, you have the option to exercise, an extra day off for a weekend away, shopping at Coolblue, Bol.com etc.
- Your personal development is important for us. That is why we have created our own academy, named [Quriuz](#). You can follow various masterclasses and workshops and also network with other teachers. We also have [Q-Highschool](#) where our teachers can set up and supervise innovative projects.
- Time to take control of your work.
