

# Physical Education Teacher

*Are you passionate about physical education and ready to make an impact in an international school setting? At Rivers International School Arnhem, we're looking for a dedicated Physical Education Teacher to join our Middle Years Programme (MYP) team. If you love working with young learners, creating dynamic sports lessons, and fostering teamwork and confidence, we'd love to hear from you!*

## **Your job**

We are looking for an enthusiastic and passionate Physical Education Teacher to join our Middle Years Programme (MYP) team. As a PE teacher at Rivers, you will have the opportunity to teach students a variety of sports, helping them develop their physical skills, teamwork, and understanding of how to stay active and healthy.

Your lessons will cover team sports such as basketball, football, and volleyball, as well as individual activities and outdoor sports. You will work with MYP students to teach them not only the technical aspects of these sports but also the value of regular physical activity and the importance of working together as a team.

Through a variety of sports and team activities, you'll create an environment where students can challenge themselves, develop discipline, and build self-confidence. Your lessons will encourage them to stay active, improve their skills, and understand the role of teamwork in both individual and group sports.

## **Our gym facilities at Rivers**

Our modern and well-equipped gymnasium provides an excellent environment for physical education. The facility includes climbing frames, basketball hoops, rings, vaulting boxes, and a variety of sports equipment. The specially designed sports floor ensures optimal performance and safety, creating the perfect setting for engaging and dynamic PE lessons.

## **You are**

You have the energy and enthusiasm to engage students, helping them thrive not only in sports but also as confident and motivated individuals. As an English native or near-native speaker, you bring strong communication skills to the classroom. Most importantly, you're excited about working with a diverse group of international students who bring new perspectives and challenges to every lesson. You are committed to ensuring that your lessons are always conducted safely, providing clear instructions and maintaining a structured environment where students can confidently explore and develop their physical abilities.

## **About us (Rivers International School Arnhem)**

We want our students to become caring and principled world citizens. We aim to reach this goal by stimulating their curiosity and developing their personal academic and social potential.

Our balanced and rigorous IB programs enable our students to gain the skills, the breadth and depth of knowledge, and a positive attitude towards learning that will also prepare them for success in later life.

Rivers International School Arnhem is a small and caring international community, which is able to draw on the resources of a larger partner school. We provide a stimulating learning environment and guide our students in an atmosphere of intercultural understanding and respect.

## **Why do I work at Rivers International School Arnhem?**

*- 'At Rivers, I particularly like our student-centred curriculum emphasizing the development of skills through inquiry and concept-based teaching and learning – it allows me to fully tap into my own creativity to support my students' natural curiosity. It is a dream come true for me as a professional teacher.'*

*- 'The atmosphere here at River is really special. I have taught in many international schools, but nowhere have I encountered such an atmosphere of mutual respect and understanding as at Rivers. It is quite unique, and I feel blessed to be able to be part of it.'*
